

Retention Ponds

Rain Catchers

Pots, pans, snow shovels, and even beverage cans can collect water.

Keep these summertime pools clean, or mosquitoes will find them a nice place to breed.

When in doubt...

Dump it OUT!!!

Adulticiding

Aerial ULV
Spraying?

Ground ULV
Spraying?

Pesticide Options for ULV Adulticiding

- Anvil (sumithrin)
- Fyfanon or Atrapa (malathion)
- Biomist (permethrin)
- Scourge (resmethrin)
